HEDBANZ GAME for Vocabulary Practice

Hedbanz is a really awesome board game that you can get at Target, Wal-Mart, etc. but really you can make these cards on your own. They neat part is the “hedbanz” with the card holder they come with! You can place the card up there and the player that has the card up there doesn’t know what it is but has to ask questions in order to find out. You could use this if you wanted to narrow it down to a specific unit of study as well.

You could use it for teaching IDIOMS:
Animals:

The game promotes inquiry:
Everyone will want to play it because it is so much fun!
Even my wiener dog! 😊
